ACTIVITIES SUMMARY

1 .On 16th April 2025, Merlik Foundation was invited to participate in an awareness campaign hosted by Pendekezo Letu an organization that advocates for the well being of vulnerable children through capacity building on children's rights and protection. The campaign was geared towards mobilizing relevant stakeholders to raise awareness on the spread and impact of sexual violence of boys in Kenya. This campaign is calling for support through a global appeal , petitioning the United Nations to declare April 16th of every year as an international campaign day dedicated to protecting boys from sexual violence.

2. On 10th May 2025, Merlik Foundation hosted its first ever team building exercise at the Oloolua Nature Trail, that was geared towards developing wholesome team synergy for it's volunteers. Our mentorship partner Eric Mungai, ED, Yazua Afrika led the team through a transformative session where he detailed a glimpse of what the journey of a man entailed. This activity redefined the concept of team building, to not only focus on the dynamics of growing teams but also how to incorporate the organizations mission and objectives into team positioning.

3. Mentors/Coaches meet every Wednesday from 8.00 pm for trainings on how to be effective mentors. This quarter we had the priviledge of hosting a season Leadership Coach who took the team through a session of self awareness.

ACTIVITIES SUMMARY

4. This quarter, Merlik Foundation was priviledged to induct two new Volunteer Coaches, adding to a total of 20 male coaches who will assist in expanding the mission and vision of the organization.

5. On May 27th, 2025, ParkRoad Fellowship—a faith-based organization focused on engaging high school and university students in matters of faith—hosted the Merlik Foundation. The purpose of the meeting was to provide Merlik with an opportunity to present their work and explore possibilities for future collaborative partnerships.

6. The mentorship manuals were revised and are now ready to be used.

CLOSING REMARKS

As we conclude this quarter's report, we extend our sincere gratitude to our partners, donors, and stakeholders for your continued support and commitment to our mission. The progress highlighted in this report is a testament to the collective efforts of our dedicated team, volunteers, and the communities we serve.

While we acknowledge the milestones achieved this quarter, we remain mindful of the work ahead. We are committed to strengthening our impact, fostering new partnerships, and continuously learning to better serve our beneficiaries.

Thank you for walking this journey with us. We look forward to the coming quarter with optimism and renewed energy as we strive to make an even greater difference.
